Antinational Embassy

The band „Antinational Embassy“ was formed in the school. The members of the band are inhabitants of the school and supporters. In their lyrics the band deals with the situation and the experiences of refugees in Germany and in the rest of the world. The band is part of the refugee movement and is taking part in demonstrations.

Antinational Embassy - Choir

Next to the band there is the idea to form a choir in the school. The choir is open for everybody, who feels like singing. If you are interested please
